Fuji Clean USA, LLC	CE5, CE7, CE10, CEN5, CEN7, and CEN10 with UV disinfection and re-aeration	450, 630, and 900

These are the systems that the Department has received and reviewed the [NSF International data and engineering calculations](#) for. Based on these two items and the Department's evaluation of the system, these systems have been deemed acceptable for the Individual Treatment Systems General Permit, ARG550000. As additional systems are submitted to the Department, they will be reviewed and the above table will be updated accordingly.
